The image shows a large, curved digital display at a stadium, likely during a match. The screen is divided into two main sections: 'FINAL ROUND GROUP A' on the left and 'ROUND 2' on the right. Each section lists the top six teams in the group, their positions, and their goal statistics (goals scored and conceded). The background of the screen is green, matching the Premier League branding.

FIFA WORLD CUP 2026™

From established stars to emerging talents, this album will offer you the opportunity to discover the players who will enthrall the world in North America.

By choosing to collect and swap iconic Panini stickers, you are also providing more opportunities for young people to play football all over the world, as FIFA revenues are reinvested in the development of the game, building pitches and funding competitions, giving more girls and boys the chance to play our beautiful sport across the planet.

This album is more than just a collectable - it is a symbol of the joy, passion and anticipation that uniquely defines the FIFA World Cup.

Enjoy the collection, enjoy the tournament and may the best team win!

Gianni Infantino
Gianni Infantino - FIFA President

Dear football fan,
I am delighted that you have joined one of the most enduring traditions in our sport - the collection and exchange of Panini stickers. For generations, the Panini FIFA World Cup™ sticker collection has brought fans together, sparked excitement around the world and created memories and moments that last long after the final whistle.

Its history goes back to the 1970 FIFA World Cup™ in Mexico, when the first edition was produced. At that time, just 16 teams participated in the tournament. The FIFA World Cup 2026™, on the other hand, will feature a record 48 teams, making this edition a real collector's item. From 11 June to 19 July 2026, 104 matches will be played in 16 Host Cities across Canada, Mexico and the United States, bringing us new levels of drama, passion, joy - and a few tears along the way.
